

All activities provided by Watson Park and Camp Somerset Outdoor Programs are run by qualified Outdoor Instructors and Guides. Ratios are generally stated using the Queensland Adventure Activity Standards. All our Instructors are Qualified Outdoor Guides and Instructors or Instructors under training/supervision and will work with the client's requests for the desired outcomes

Activity Picture	Description	Outdoor Staff To Group Ratio
	<p><b>Pool Pontoon and Swimming Pool Activities-</b> Pool would need to be booked ahead of time. Pool is no cost but subject to booking availability. Ratios do not include the staff that the group would need to supply to supervise activity. *BR – Bronze Medallion *PL – Pool Life Guard</p>	<p>1 : 18 BR 1 : 100PL</p>
	<p><b>LOW ROPES CHALLENGE COURSE</b> A series of cables, ropes, and obstacles strung between trees or poles, 30 to 60 centimetres above the ground, low rope elements present tests of physical strength, stamina, agility, balance, and flexibility. A great activity for the <b>foundation of trust building, taking responsibility, support, co-operation, development of group dynamics and teamwork.</b></p>	<p>1 : 18</p>
	<p><b>RAFT BUILDING in Pool</b> Students must build a raft from the given materials strong enough to support members of the team across the pool. This activity encourages <b>creative thinking, teamwork, leadership, decision making, understanding group dynamics, problem solving, consequences and communication.</b></p>	<p>1 : 18</p>
	<p><b>ORIENTEERING</b> Orienteering is an activity in which participants navigate their way through an area using a map and compass. The aim is to find a series of control markers at natural and man-made features located on the map. A great activity for generating interest in our surroundings and <b>developing knowledge about the environment. Teamwork, communication, leadership, decision making, co-operation are all aspects of this activity that can be developed with the students.</b> We have age appropriate levels at this activity either based from our main complex for younger student's year 4 or for older groups year 7 upwards.</p>	<p>1 : 18</p>
	<p><b>ARCHERY</b> Participants are taught correct techniques and safety procedures of Archery. We use recurve and compound bows and are held to shoot arrows at static targets. Students are given plenty of time to practice with our fully qualified instructors. <b>Outcomes include learning a new skill, following strict rules and instructions within a disciplined environment but at the same time having fun.</b></p>	<p>1 : 18 1:6 Active</p>

	<p><b>BUSHCOOKING</b> Participants are provided with guidelines on how to safely prepare Damper and Jacket potatoes over an open fire. Our Instructors will teach the students fire safety and the basics requirements needed for starting a fire. <b>Outcomes include learning a new skill, following strict rules and instructions within a disciplined environment but at the same time having fun.</b></p>	1 : 18
	<p><b>CANOEING</b> Participants are given tuition and guidance to learn how to paddle a canoe safely. We have two and three man canoes. Activity can be run onsite in small dam or offsite. Offsite activity is subject to 10min bus trip availability which would be an extra cost. Subject to SEQ Water lake closures and permits. <b>Groups master the skill of paddling, communication and teamwork, following instructions and problem solving.</b></p>	1 : 12
	<p><b>FRISBEE GOLF</b> Individual players throw a flying disc at a target, "The object of the game is to traverse a course from beginning to end in the fewest number of throws of the Frisbee." <b>Outcomes can be surprising with key social skills being developed as well as a group dynamics, basic map reading, and crucially a sense of fun in the outdoors.</b></p>	1 : 18
	<p><b>BURMA TRAIL</b> Suitable for Primary and High school aged students who must follow a trail through the trees and bush whilst clipped to a rope blind folded and guided by a fellow student. <b>Outcomes include trust and support, encouragement, teamwork, communication, creative thinking and leadership</b></p>	1 : 18
	<p><b>MOUNTAIN BIKES</b> Suitable for High school students. Participants are shown all safety requirements for riding on our tracks through the property with some challenging riding on single tracks and bush tracks all under the supervision of our qualified mountain bike leaders. <b>Outcomes include leadership, resilience, new bike skills, encouragement and communication.</b></p>	1 : 18
	<p><b>NATURE CRAFT</b> A craft activity using bush materials. Suitable for Primary school year 1 and 4. Materials are collected from the bush to be glued together to make an animal or natural picture. Students are encouraged to create a collage based on their personal camp experience. <b>Outcomes include ,Creative thinking and having fun in the outdoor environment</b></p>	1 : 18
	<p><b>Overnight CAMPING</b> Groups can choose to combine a camp out experience with the cabins. We can provide tents, sleeping mats or open fire pits (depending on fire ban conditions) with Trangia and large group cooking experience or catered food from the kitchen. <b>Outcomes include taking responsibility, independence, teamwork, trust support, leadership, personal challenge, learning to cook on camping stoves, personal organization, co-operation, environmental awareness</b></p>	1 : 18
	<p><b>Koala Climb (Monkey Climb)-High Ropes</b> A high ropes activity suitable for year 4 –adult. Participants climb a tree while attached to a belay team below. This activity is for school groups to face a personal and group challenge. <b>Outcomes include, taking responsibility as part of a team, communication, trust, encouragement, extending comfort zone, understanding risk and wearing safety equipment correctly.</b></p>	1 : 18

	<p><b>Night Indoor Sports Hall-</b> Groups can hire Sports hall for Night time games from Watson Park. Subject to booking availability.</p>	
	<p><b>CRATE CLIMB-High Ropes</b> A high ropes activity suitable from year 4 up. Participants must work together to stack crates as high and as stable as possible within a given timeframe. Climber is supported by a belay team on the ground. <b>Outcomes include, teamwork, communication, and encouragement, understanding risk, and wearing safety equipment correctly.</b></p>	<p>1 : 18 <i>(possibly available in 2021)</i></p>
	<p><b>Kite Building-</b> Build and fly your own kite. <b>Outcomes include ,Creative thinking and having fun in the outdoor environment</b></p>	<p>1 : 18</p>
	<p><b>Indoor Outdoor Group Games and Team Initiatives-</b> Group challenges and Initiative activities both outside and indoors. Initiative Challenge course to be developed around the property and built up over time. A great activity for the <b>foundation of trust building, taking responsibility, support, co-operation, development of group dynamics and teamwork.</b></p>	<p>1 : 18</p>
